3 Mark your calendar

Tests will be conducted on
Wednesday, May 30th, 2018!

- Participants must allow County personnel to enter their home to collect the water sample.
 - Sampling may take up to 15 minutes.
 - Times are available between 7:00 AM - 6:00 PM.
-

4 Payment

Payment is due on Wednesday, May 30th at the time of sampling.

Cash or Check Only
Checks can be made payable to:
Juneau County

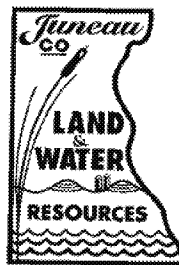

*Personnel are unable to perform the test without payment.

5 Results

Water samples will be analyzed at the UW-Stevens Point Water and Environmental Analysis Lab (WEAL).

Lab results will be returned within one month.

Results of this reduced-fee water analysis will be used as part of an educational series on groundwater quality in the Armenia Township.
